TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Peterborough, in the County of Hillsborough, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the fourteenth of March next, at eight-thirty of the clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing, and to vote to see if beano shall be legalized in said Town.

Article 2. To raise and appropriate such sums of money as may be necessary for the maintenance of the poor, for laying out and repairing of the highways, the Fire Department, the Police Department, Public Library, Memorial Day, Adams Playground and Peterborough Pool, Gypsy Moths, Peterborough Band, Town History Committee, Community Christmas Tree, Monadnock Region Association, Town Planning Board, and for any other charges arising within the Town.

Article 3. To see what sums of money the Town will vote to raise and appropriate toward paying the Town debt and interest.

Article 4. To hear the reports of Agents, Auditors and Committees or Officers herefore chosen, and to pass any vote relating thereto.

Article 5. To see if the Town will vote to accept legacies and gifts given to the Town in trust by any individual or individuals.

Article 6. To see if the Town will vote to authorize the Selectmen to purchase The American Guernsey Cattle Club parking lot on Depot Street for the sum of Twenty Thousand Dollars (\$20,000.00) to be used for a public parking area, to take a proper deed for the same and to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) or to take any other action relating thereto.

Article 7. To see if the Town will vote to purchase a new Police Car and 2-way Radio for the Police Department, raise and appropriate money for the same, or take any other action relating thereto.

(Requested by the Police Department)

Article 8. To see if the Town will vote to purchase a Motorized Fire Truck Combination for the Fire Department, raise and appropriate money for the same, or take any other action relating thereto.

(Requested by the Fire Department)

Article 9. To see if the Town will vote to authorize the Selectment to purchase a new Truck for the Water Department and to pay for the same from the receipts of the Water Department or to take any other action relating thereto.

Article 10. To see if the Town will vote to have the Selectmen appoint the Highway Agent beginning March 13, 1951 instead of his being elected by ballot, or to take any other action relating thereto.

(Requested by the Budget Committee)

Article 11. To see if the Town will vote to discontinue part of the Old Harrisville Road as recommended by the United States Army Engineers, or take any other action relating thereto.

(Requested by U. S. Army Engineers.)

Article 12. To see if the Town will vote to authorize the Selectmen to have the stone wall at the South side of the Town House removed, or take any other action relating thereto.

Article 13. To see if the Town will vote to raise and appropriate the sum of Nine Hundred Sixty One Dollars and Seventy Seven Cents (\$961.77) provided the State gives Three Thousand Eight Hundred Forty Seven Dollars and Seven Cents (\$3,847.07) for construction of Class V Highways.

Article 14. To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars (\$200.00) to pay for the installation of overhead blinkers at the intersection of Main, Union and High Streets, or take any other action relating thereto.

Article 15. To see if the Town will vote to extend the present water system, and to raise and appropriate money for the same by authorizing the Selectmen to issue Town Water Bonds, or take any other action relating thereto.

Article 16. To see if the Town will vote to rescind any previous vote taken with respect to the money now held by the Trustees of the Trust Funds under Capital Reserve Funds known as Water Department Sinking Fund and to authorize the Selectmen to place this money in a Capital Reserve Fund in Accordance with Chapter 160 of the New Hampshire Laws of 1943, or take any other action relating thereto.

Article 17. To see if the Town will vote to raise and appropriate a sum of money to repair a bridge on the Crosby Road, or take any other action relating thereto.

Article 18. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed.

Article 19. To see what sums of money the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.

Article 20. To see if the Town will transact any other business that may legally come before this meeting.

Given under our hands and seal this twenty-seventh day of February, in the year of our Lord, Nineteen Hundred and Fifty.

GEORGE A. MYHAVER
CAREY A. WALBRIDGE
RAYMOND C. PARROTT

REPORT OF THE BUDGET COMMITTEE, 1950

The Budget Committee has discussed and examined with the Selectmen, the School Board, a member of the Adams Playground Committee, and the Planning Board the budgets for the town and school district as prepared and proposed for the year 1950. The Committee has also considered carefully various proposed special projects involving additional appropriations, which have been brought to its attention to date. If the town and school budgets as presented to us, together with these special projects, are all approved, it is quite apparent to us that the 1950 tax rate will be very much higher than that for any prior year. We believe, however, that if the town is to remain a healthy, vigorous, expanding community, if it is to continue to grow and to attract new citizens and new business, the tax rate should not exceed approximately the 1949 rate. We, therefore, feel that those expenditures and special projects which, though desirable, are not necessary or essential, or which can be postponed without injury to the town in any way, should not now be approved.

School District Budget

The School Board has prepared a budget of \$112,478.00 for the fiscal year beginning July 1, 1950. Under special articles the Board will submit motions asking for the additional appropriation of about \$5,240.00 for finishing the basement room in the new high school annex and about \$1,500.00 for renovation of lighting at the Central School building. The Board will also ask for an appropriation of \$5,000.00 to meet the anticipated deficit in the current fiscal year. To apply against the expenditures of the next fiscal year the Board anticipates income of \$17,630.00. Thus, the district will be asked at the coming meeting to raise approximately \$106,588.00. Of this amount the sum of \$8,000.00 will be appropriated to the retirement of serial notes authorized by previous meetings for renovation of the Central School building and construction of the annex to the high school, and interest of \$748.00 on these obligations.

The deficit of \$5,000.00 anticipated during the current fiscal year results from the termination of state aid. There is no feasible means short of drastic curtailment of the educational program by which the budget adopted at the last meeting of the district can be reduced to offset this item. The voters of the district by providing the amount of the deficit will only be raising directly what they would otherwise have contributed indirectly through the medium of the State Treasury if state aid had been made available by the 1949 Legislature.

Funds provided last year for renovation of the Central School building have been adequate to install new and improved lighting fixtures in each classroom on the first floor of the Central

School. For the additional sum of \$1,500.00 the lighting facilities of the classrooms on the second floor can be replaced by fixtures adequate for purposes of instruction. The Budget Committee is convinced of the need of this improvement and recommends the appropriation of the sum of \$1,500.00 for this purpose.

There is little doubt that in the near future the district must provide additional classroom space at the high school. The School Board does not consider that such additional space will be imperative during the coming year. Therefore, the Budget Committee recommends that the district postpone at present the appropriation of funds for completion of a classroom in the basement of the new high school annex. The lapse of another year will perhaps bring some decline in the cost of performance of such work as well as a clearer definition of the requirements to which the additional space should be adapted.

The budget includes provision for the salary of an additional teacher, necessitated by the anticipation of another first grade so large as to require two divisions, and the consequent expense of dividing another classroom at the Central School to provide accommodations for an additional class.

With the single exception noted, the Budget Committee recommends adoption of the budget as prepared by the School Board.

Town Budget—Current Expense

The budget as presented by the Selectmen proposes raising \$94,767.77. We approve of all the items as proposed in this budget with the following exceptions:

(1) **Police Department.** It is proposed raising \$8,800.00 for 1950 as compared to \$8,300.00 raised in 1949, the \$500 increase to be used in purchasing a new 2-way radio for the present police cruiser for direct contact with Concord State Police. We recommend that the same sum as last year, \$8,300.00, be appropriated this year, thus excluding the purchase of the 2-way radio. Our Police Department, we feel, can continue to give us the excellent and efficient service it has rendered in the past to the town, without the aid of a 2-way radio, the absence of which we do not think will jeopardize the safety or security of the public in a small town, such as Peterborough, where the use of telephone to Concord has been and should continue to be sufficient.

(2) **Gypsy Moth.** The sum of \$300.00 is proposed for the control of gypsy moth. We recommend adding thereto an additional \$400.00 to be spent for the white pine blister rust control program now under the supervision of the State Forestry and Recreation Commission. If this sum is raised, it will be matched with state and federal funds, the total to be used in exterminat-

ing currant and gooseberry bushes in this area, without which the disease cannot exist. We have been advised by the State Forestry and Recreation Commission that this disease is now a serious menace to the young pine in this area, and this sum is recommended by the Commission. We feel that, with the 1938 hurricane's devastation of much of our mature white pine timber, it would be unwise and shortsighted indeed not to invest this small amount toward the effective control of this disease, but rather the town should encourage the growth of this one of our important natural resources.

(3) **Highway Department.** The Selectmen propose a total appropriation of \$33,050.00 for 1950, which is \$1,250.00 more than was appropriated in 1949. Total revenue last year was \$4,138.65, making the total available for this department in 1949 equal to \$35,938.65. Actually, however, \$33,726.43 was spent in 1949, leaving a balance not spent of \$2,212.22, not including accounts receivable of \$743.78 which will presumably be available this year.

After carefully reviewing and considering the break down of the proposed figure for this department, we recommend the following reductions:

	Estimate of Selectmen	Recommendation of Budget Com.	Reduction
Patrol Account	\$11,000 00	\$10,000 00	\$1,000 00
Oil Account	9,000 00	7,000 00	2,000 00
Snow Account	8,750 00	7,750 00	1,000 00

In support of these recommendations, the Committee makes the following observations:

First: In the patrol account last year the town actually spent approximately \$10,000.00 in excess of receipts, or exactly the amount appropriated. The Committee has been advised that one-half the estimated expense of repairing the "yellow hornet," or \$750.00, will be charged to this account this year. Though this is a larger repair item than is normal, we feel that last year's appropriation of \$10,000.00 should be sufficient for this year.

Second: Included in the oil account figure of \$9,000.00 is \$3,600.00 proposed for new oiling on gravel roads. There are two projects of this nature, totaling \$2,600.00, which we feel are totally unnecessary. The first is to oil the Hughes Road for 1.8 miles for \$1,800.00. This road was widened and reconstructed in 1946-7 and is now in excellent condition. It serves only two families of permanent residence. It also serves two summer residents, neither of whom wants this road oiled. The second project is to oil the Old Mountain Road from Keenan's to Mrs. Elliston's, a distance of .8 mile for \$800.00. This section is

never used in the winter and serves only Mrs. Elliston, a summer resident, who has repeatedly stated that she does not want this road oiled. Under these circumstances the Committee feels these projects are not warranted, and that the oil account appropriation should be accordingly reduced.

The Committee has been advised by the State Highway Department that a new surfacing material is being developed, composed of waste sulphite products. This is vastly cheaper than asphalt and seems to be ideally suited for surfacing of gravel roads bearing light traffic. It might be well to defer all new oiling projects and use this new and cheaper product which will shortly be available.

Third: \$8,750.00 is proposed for the snow account, \$750.00 of which represents the other half of the cost of repairing the "yellow hornet." Thus, the Selectmen are proposing the same net figure of \$8,000.00 this year as last year. We have had an unusually light winter this year to date and we feel that \$7,000 should be sufficient for this purpose. In the event that one or more major and unusual snow storms occur, the Selectmen can always fall back on the emergency account of \$1,500.00 proposed to be appropriated for the Highway Department and set up for just such a contingency as this.

Audit of Town Books

The town books have not been audited for many years other than by the town auditors, who though competent, able, and conscientious, are not CPA's. The Committee feels that periodically an audit should be made by CPA's and has accordingly requested the State Tax Commission to do this for 1949 and the current year, as provided and authorized by R. L. Chapter 59, section 26.

SPECIAL PROJECTS

Fire Truck

The Committee is informed that the warrant will include an article concerning the purchase of a new truck for the Fire Department at a cost of about \$6,500.00. The Ford truck, retirement of which is proposed by the Fire Department, although old, is believed to be in good repair. Its actual mileage in recent years has been moderate, and in the past year has certainly been negligible. Undoubtedly equipment superior to this vehicle is available for purchase, but that condition is one that has prevailed for years, and does not affect the economic desirability of retaining in service equipment which is reasonably well adapted to the requirements of the department. The Budget Committee recommends that this proposed expenditure be avoided at the present time.

Crosby Bridge

The town faces the necessity of either repairing the so-called Crosby Bridge or of closing the road which it serves. The highway agent estimates that this bridge can be repaired by his crew at a total cost of \$700.00. The State Highway Department has furnished alternative estimates of repair of the bridge at costs ranging from \$800.00 to \$6,000.00. In view of the extremely limited use to which this bridge and the road is put, the Committee recommends an appropriation for this purpose in the amount of \$700.00.

Highway Agent

Under the existing arrangement, the highway agent is in the unusual position of attaining office by election of the voters but being, in the execution of his duties, responsible to the Selectmen. He must conduct a political campaign to attain and retain an office in which, however, he is under the supervision of the Selectmen; the Selectmen, on the other hand, are responsible for the maintenance of the highways, but must do so through the agency of an official selected not by them but by the voters. The maintenance of the highways is a purely administrative function, similar to that of the water department. The Selectmen and the Budget Committee concur in recommending that the office of highway agent be removed from the elective category and be placed within the jurisdiction of the Board of Selectmen. Such action, it is believed, would facilitate economy and efficiency within the department by relieving the highway agent of the necessity of being both a politician and an administrative officer, thus permitting him to concentrate his efforts exclusively upon the best possible operation of this important municipal function.

Water Extension

The plan proposed by the joint committee comprising the Selectmen, the Planning Board and the Budget Committee for construction of additions to the present water system has the support and approval of the Budget Committee. This plan has been presented and discussed to the extent that further mention of the plan in this report would be an unnecessary repetition.

Public Parking Lot

The town has the option of accepting at this meeting an offer of The American Guernsey Cattle Club, Inc., to sell and convey its parking lot at Depot Square for the sum of \$20,000.00.

The two objections to the acquisition of the lot are the cost of purchase and the loss of the annual tax revenue accruing to the town as a result of its private ownership.

The Planning Board, in its report, has urged the need of suitable and convenient space for public parking to which purpose the lot is admirably adapted.

Another important consideration in connection with the purchase of the lot is that of the public sewer system. In the lot is located a septic tank, installed by the Club, which serves the building it now occupies; and another tank built and used by the town in connection with a public sewer. The question has been raised, whether the town is entitled to maintain the public tank now located there; furthermore, in the event of sale of the lot to a third party, the town would be required to build an additional tank on other land to serve the new building of the Club, in fulfillment of a commitment already made.

Purchase of the lot by the town would remove all doubt of the right of the town to maintain its tank at the existing location. The Committee understands that the town, upon purchasing the lot, would acquire title to the tank owned by the Club. It is argued that this tank could be connected to the public sewer and that the two tanks would provide sufficient capacity to avoid the necessity of constructing an additional tank on other land; and that the net cost of the lot would thus be reduced by the amount which must otherwise be spent to acquire land and construct a new tank.

The Committee has been unable to agree upon a unanimous recommendation. On the basis of the foregoing considerations, the following members recommend purchase of the lot at the option price:

S/ALBERT S. BATES

S/WALTER A. BRYER

A majority of the Committee are unable to recommend the purchase of the lot at the option price for the purpose of providing a public parking area unless it would also in fact provide a feasible and economical solution to the problem of sewage disposal. They have concluded that the proposed plan does not meet this test.

The septic tank serving the present building of the Cattle Club has a capacity adequate to provide for the immediate needs of the new building. After the removal of the Club to its new home, however, the Grove Street building will continue to require facilities to an extent not now determinable. Furthermore, the Club anticipates that the continuing growth of its

activities will necessitate the enlarging of its new building. For how long a period this tank would provide sufficient capacity for both buildings is largely a matter of conjecture, depending upon the extent of future occupancy of both. Eventually the town must build a tank to serve the increased demands of these and other buildings within the area served by this system. It could be built now, on other land, at a fraction of the option price of the parking lot, and these members recommend that this be done. This is the plan contemplated by the Selectmen when the sewer line was laid in the canal last summer.

This plan requires the expenditure of approximately \$5,000.00 for construction of a tank, as compared to the sum of \$20,000.00 for the purchase of the lot. But, if the town should buy the lot, it must probably within a few years, also spend the \$5,000.00 to build a tank.

If the town should buy the lot, it will lose the annual tax revenue now accruing from it. This loss will be avoided, and the tax revenue preserved, if the town now faces squarely the problem of providing adequately for present and future needs.

(Because of absence, Forrest F. Tenney did not vote on the issue of the Parking Lot. Karl B. Musser disqualified himself from voting on this issue.)

REPORT OF THE BOARD OF SELECTMEN

To the Town of Peterborough

HIGHWAYS

During the year of 1949 the Town reconditioned and widened Winter Street in accordance with a motion at our last Town Meeting. This has greatly improved the street for the traveling public.

Main Street was reconditioned in accordance with a warrant of the Town which appropriated \$15,000.00 as our share and the State assuming the balance. Here again we see a vast improvement in all of our streets.

Two bridges were repaired. One near the residence of Fred P. Waite and the other near the Noone Station, South Peterborough.

Necessary improvements which will be done by the board of selectmen during 1950 will be the widening and reconditioning of Vine Street and a new road from Vine Street to a point back of the High School.

The Crosby road was closed during the Fall of 1949 due to a faulty bridge and an article will appear in the warrant for necessary work to be done on this bridge.

LAND SOLD

In accordance with a vote under Article 29, a piece of land was sold to Harry M. Morse.

In accordance with a vote under Articles 30 and 31 the selectmen held a necessary hearing with those interested in the Phoenix Factory Canal and the construction of a new sewerage line. The result of this hearing proved that the total cost would be \$6,500.00, of which \$4,400.00 was contributed by the American Guernsey Cattle Club, Inc. and the balance of \$2,100.00 was paid by the Town of Peterborough.

In accordance with a Public meeting held by the board of selectmen we constructed a new sewer line from the top of Main Street down to approximately Grove Street with a cost of \$4,500.00. Also the selectmen had two septic tanks pumped out at a cost of \$180.00.

During the year the Water Department has done a considerable amount of extra work, which brings their expenses up higher than normal. All services were replaced on Winter Street. On Main Street all services under the new road were replaced, which included some new services on Vine street, a new service into the Town Hall and on Main Street and Winter Street services were installed in some locations to anticipate future requirements, so that the roads would not have to be

dug up again. Several hydrants were moved back of the curb line. Three broken hydrants were replaced and all hydrants were painted. Thirty-five new meters have been installed, over forty faulty meters replaced. Brush was cut back around Cunningham Pond, as well as along the main line from the Town Line Brook to the chlorinator. The Town Line Brook chlorinator was replaced. A survey has been made of the water users of Peterborough, in order that proper charges could be made to each consumer, as well as the future installation of meters needed for replacements of those not working.

On July 18 a Special Town Meeting was held at which time it was voted to permit the selectmen to accept a deed to the State Pool on Union Street; this deed has been accepted and the Town is the sole owner of the swimming pool.

At this Special Town Meeting it was voted to ask the selectmen to report on the possible purchase of what is known as the Guernsey Parking Lot. At the annual Town Meeting on March 14, 1950 this report will be given to the Town Meeting.

Office hours of selectmen are every Monday from two (2) to four (4) P. M.

On Articles in the 1950 warrant we have decided to adopt the same procedure as other towns, which is inserting, after articles that have been given to us by other people, the names of the petitioners.

Respectfully submitted,

GEORGE A. MYHAVER
RAYMOND C. PARROTT
CAREY A. WALBRIDGE

1 sum of money	

JUVENILE DELINQUENCY

During the past year we had one case which warranted the attention of our Juvenile Court.

POLICE CAR

The police car traveled 14,300 miles during the past year.

CONCLUSION

I wish to take this opportunity to express my thanks to the Board of Selectmen; members of the Police Department; members of the State Police; Judge James B. Sweeney; Clerk of Courts, Algie A. Holt, Highway Agent, Kenneth Wetherbee, Merchants and Citizens of Peterborough for the cooperation given me in the performance of my duty as Chief of Police during the past year.

Respectfully submitted,

ALBERT J. PICARD
Chief of Police

Report of the Chief of the Fire Department

TO THE SELECTMEN OF PETERBOROUGH:

I submit my report from Jan. 1, 1949 to Dec. 31, 1949.

Alarms	6	
Still Alarms	18	
False Alarms	1	
	<hr/>	25
Brush Fires	3	
Chimney Fires	5	
Grass and Rubbish Fires	7	
Building Fires	3	
Oil Burner Fires	3	
Out of Town Fires	1	
Police Dept. and First Aid	2	
False Alarm	1	
	<hr/>	25

The Fire Department had the lowest number of calls in several years. We feel that this was due in part to the citizens willingness to work with the Department in keeping fires at a minimum.

The Department extends its appreciation for the support given it in the past year.

Respectfully submitted,

DAVID J. ROCHFORD, Chief

AUDITORS' REPORT

We have examined the accounts of all Town Officers, Committees and others having charge of moneys, for the year ending December 31, 1949, as required by law, and find them correctly cast and properly vouched.

We have not examined the James Smith Fund nor the Weston Memorial Fund, as these funds are not held in the name of the Town.

THOMAS S. NICHOLS, JR.
THOMAS C. RODGER
ROBERT W. FORTIN

Report of the Librarian of the Town Library

TO THE TRUSTEES OF PETERBOROUGH TOWN LIBRARY:

Herewith is presented the report of the librarian for the year 1949:

TOWN LIBRARY

Number of volumes purchased during year	454
Number of volumes acquired by gifts during year	94
Number of volumes discarded during year	96
Number of volumes now in library	27,629
Number of volumes circulated during year	21,657
Number of pictures circulated during year	59
Number of volumes repaired during year	292
Registrations during year	276
Reading room attendance	6,528
Periodicals and newspapers bought for reading room	62
Periodicals and newspapers given to reading room	21

Appreciation is hereby expressed to the following friends of the library who have remembered it with gifts of books, magazines and flowers:

Books: Cheney-Armstrong Unit No. 5 American Legion Auxiliary, Mrs. Norman J. Elmes, Estate of Mrs. Howard Rogers, Mrs. William G. Hunter, In memory of the Class of 1884 Peterborough High School, Miss Esther Jackson, Mr. Herbert A. MacDonald, Mr. William McGreal, Peterborough High School, Master John L. Ramsey, Mr. Lester Smith, Southern Baptist Business Man, Dr. Edwin J. Stringham, Union Congregational Church, United Palestine Appeal, Mrs. Sam Bass Warner.

Extra Magazines: Mr. Robert C. Craig, Mrs. Charles W. Harrington, Miss Esther Jackson, Rev. James McKee, Miss Louise Nickerson, Mr. Myron Whitney.

Flowers: Mrs. Elwood Aldrich, Mr. Robert C. Craig, Mrs. William G. Hunter, Miss Anna L. Jaquith, Mrs. Katie Nichols, Mrs. Richard E. Simpson, Miss Etta M. Smith, Mrs. Max A. Thomas, Mrs. Fred P. Waite.

Libraries are absolutely necessary to the maintenance of social progress. They are also an educational necessity and, "therefore the inalienable right" of every American citizen, both young and old, in school and out.

We wish to report that the library has sufficient material to loan books for supplementary reading to the teachers of all grades. As you will see this reduces, to a great extent, the expenses of the School District by not having to buy these books, provided they wish to take advantage of this help.

The First, Second and Third Grades visited the library during Book Week, and had a story told to them, with book-marks, small packages of candy and cookies given them. Also, we had the usual exhibit of new books at the Public Service store and at the library.

The opening of the library one day a week, during the noon hour, for the bus pupils, has proven a success, especially with the Central School.

Special exhibits have been held during the year, two outstanding ones were: Miss Nora Unwin's water colors, and Mr. Filbin's display of work done by his art classes.

The Cheney-Armstrong Unit No. 5 American Legion Auxiliary have again voted to give the library a book a month. This shelf is very popular.

The Class of 1884 of Peterborough High School presented the library with an especially fine edition of "The Ingenious Gentleman Don Quixote de la Mancha" by Saavedra Miguel de Cervantes. This, we understand, was in the hope that other classes might do likewise.

With the buying, classifying, cataloging and mending books the full staff have had a busy year.

We hope the public have enjoyed working with us as we have with them.

Respectfully submitted,

MARTHA E. CUTLER, Librarian

Report of the Adams Playground Committee Season of 1949

This season was one of great interest and enthusiasm on the part of the entire town due to the addition of the Swimming Pool as part of the recreational opportunities offered at the Playground.

The Playground itself got off to a fine start under the supervision of the new Physical Education Director, John Cate. His program started the first of July and included activities for all ages. There were law organized games, story telling and crafts all morning for the youngsters. There were soft ball and baseball games and competitive athletics in all fields for the older boys and girls. He was assisted by Milan Knight, Mimi Marshall and Patricia Bailey. Senior Scouts from the Peterborough Girl Scout Troop also volunteered time to help round out the program.

Daily average attendance was 93 children.

During the season 9 games were exchanged with outside teams in surrounding towns. One trip was made to Pack Monadnock and a field trip to Mt. Monadnock.

The Swimming Pool was operated by the Adams Playground Committee on a temporary basis during the first three weeks of July prior to July 21 when a special town meeting was held to decide whether the town would accept the Pool as a gift from the State and if so to appropriate \$1,900.00 for the cost of operating it. When this was voted the job of operating this recreational project was placed in the hands of this committee. It was voted unanimously that the Pool be open free of charge to local people.

The crowd at the Pool doubled the next day when the townspeople turned out to make use of their newly acquired town-owned Swimming Pool. The attendance of young and old alike kept up at this rate for the remainder of the season.

The swimmers and would-be swimmers were fortunate this year to have a very enthusiastic and colorful life guard and instructor, Moonie Kong from Hawaii. Mrs. Ruth Craig also was life guard and instructor and they kept enthusiasm for swimming at a high pitch. Connie LaFlamme assisted as life guard. Wilfred Brassard assisted Mr. Robert Michaud at the Bath House. Mr. Michaud had charge of Pool Maintenance.

Classes for all degrees of swimming were held from would-be swimmers to first rate competitive swimming team members. It wasn't long before the beginners were being graduated to intermediates and all classes improved rapidly.

Several swimming meets were arranged with outside teams and the Peterborough teams took many honors.

A very elaborate Carnival was planned as well as a Field Day and Parade at the Pool and Playground for the end of the season but this was regreably cancelled by the Committee due to polio.

Improvements were made in the Playground area by filling in the swamp at the side to enlarge available parking space. The field in back of the track was graded and the brush in back of the craft house removed. The craft house was repaired and a power mower was purchased for the upkeep of the grounds of both playground and swimming pool areas.

Respectfully submitted,

GLORIA R. MURRAY, Secretary
Adams Playground Committee

B. Administrative Policy

The increasing enrollment in the lower grades during the last few years has necessitated the adoption of a developing policy of administrative organization at the Central School. In the summer of 1947 an additional room was provided by dividing the large room on the first floor to partially relieve the serious congestion of the previous year with an average enrollment of 35.7 pupils per teacher. The enrollment that fall was 213 in the seven rooms, an average of 30.4 pupils per teacher. The following year (1948-49) the enrollment had increased to 234, an average of 33.4 per teacher. To again provide some relief from the increasing congestion plans were made last summer to move the sixth grade to the High School building, to allow for eight teachers for the 249 pupils in grades 1 through 6. This plan results in an average enrollment per room of 31.1 pupils. In order to use available funds more efficiently, the plan of employing a non-teaching principal at the Central School was discontinued and the administration of the school was brought under the control of the Headmaster of the High School. This is resulting in a better intergrated over-all educational plan for the Peterborough schools as one head is responsible for the full program from grades 1 through 12.

As it is expected that the enrollment next fall will show a marked increase over this year, still another teacher will be needed for the elementary grades. This will necessitate providing another room. This can be done by dividing the large room on the second floor. The rooms thus formed will be far from satisfactory because of their small size (36% below standard) but this plan seems to be the best that can be devised with the present building.

It is well to keep in mind that when the present fourth grade of 39 pupils reaches the seventh grade in 1952-53, and from then on as far as present enrollments permit us to predict with accuracy, the teaching staff and seating facilities for the junior high years will have to be increased. Plans for these changes need to be made well in advance to insure efficiency and economy.

The transportation contractor's acceptance of the School Board's suggestion to leave and pick up bus children on Upper Vine Street, at the Central School, has immeasurably decreased disciplinary and safety problems formerly experienced at the corner of Union and High Streets. Coupled with the construction of a passable pathway connecting the two schools and over school property, the inconveniences, hazards, and inadequacies of the former bus depot have largely disappeared. It is strongly recommended that the roadway between the two schools be completed this year, thereby making it possible to leave and pick up children from both schools at their respective buildings.

Grade 1	56	Grade 7	38
2	42	8	34
3	45	9	59
4	39	10	55
5	32	11	42
6	36	12	42

Total Grades 1-5 (Central School Building) 214 pupils

Total Grades 6-12 (High School Building) 306 pupils

TOTAL ENROLLMENT 520 pupils

No vacancies occurred in the teaching staff during the school year but to be ready for the opening of schools in September '49, teachers had to be found to fill the teaching vacancies caused by the resignations of Miss Annette Dupuis, Mrs. Dorothy Kendall and Mr. George Wilson, Music Supervisor; the additional teaching position created in the lower grades, and the newly created position of Director of physical education.

The following teachers have demonstrated their interest in continuing their professional improvement: Mrs. Crittsinger by attendance at Saturday courses at Boston University, Robert Filbin-Boston University; Arthur T. Coogan, Sr.-Boston University; Thomas Lambe-Boston College summer school; Marion Thomas-Bridgewater Summer School; Elaine Vadeboncoeur-Boston University summer school.

B. Programs and Methods

Without question our children are now receiving the benefits of a better physical education program than the students received in the past. All pupils in grades 3-12, unless excused by a physician, are getting some organized physical training each week. We are fortunate in having directors of physical education for both boys and girls who are exceptionally well qualified and who conduct their work in an admirable manner. The co-operation of students, faculty members, and townspeople with these leaders and with their programs in general is most encouraging. Our schools, for the first time in years, are providing for a variety of physical activities and are encouraging students to participate, not only for the physical exercise, but also for active social life and satisfying leisure-time activities.

It is becoming increasingly accepted that one of the duties of a modern school is to meet that imperative need of all youth found in the development of their capacities to appreciate beauty in literature, art, music, and nature. Although we are handicapped by the lack of sufficient time for a well rounded program, accumulated evidence already presents itself to indi-

cate the values which have been derived from the instruction provided in art and music by our two competent supervisors in those fields. All children are required to study some phase of musical training, and all children from grades one through eight have some art instruction. In addition to these required courses optional instruction is available in both fields on an elective basis during the high school years. An appreciation of the

If your first grader isn't here, she is just around the corner in one of the other groups working independently. Mrs. Crittsinger and Mr. Filbin see to it that the art and reading are closely integrated, part of each child's life.

beauties of literature and nature are thoroughly considered through the English, Foreign Language, and Natural Science departments.

The provision of new quarters for the Shop and Home Economics Departments has very materially added to the effectiveness of the activities carried on under those two headings. Increased floor space, better lighting, improved equipment, and the provisions for general safety and sanitary protection, all combine to give our school's vocational workshops a superior character rarely found in the smaller communities.

Modern educational methods have encouraged our learning and our teaching in various ways in addition to the use of the

textbook. Many of the instructors have used educational films, recordings, and field trips as aids in audio-visual training. The Science Department has sponsored trips to the Rearing Pool, Richmond; the Museum at Winchester; and a forestry project in the Student's Woods behind the High School. Members of the eighth grade had the priceless opportunity to visit the Goyette Museum of Americana. Members of the History Department have attended the Forum by Mr. John Langmuir on New Hampshire's plans for the reorganization of

Mr. Michaud and the shop boys discover interesting facts about wood while they build and install cabinets in the new home economics room while Mrs. Faunce and the girls explore the intriguing mysteries of a new recipe.

the state government; the panel discussions on the United Nations by the League of Women Voters. Various commercial classes have visited the local banks and business establishments. Occasionally speakers have assisted us with supplementary lectures. Mr. William MacDonald lectured to the Economics Classes. Mr. Maurice Blodgett and Mrs. William McGreal have addressed many students in the English Department. For the thoughtful cooperation of our townspeople in these various projects we are indeed grateful.

August 4, 1949

C. Report of District Clerk

Record of the proceedings—School District Meeting—
March 8, 1949.

At a meeting of the Inhabitants of the School District of Peterborough, qualified to vote in Town affairs, holden at the Town House in said District on Tuesday, the 8th day of March, 1949 at 8:30 A. M. o'clock.

The meeting was called to order by the Moderator, Maurice M. Blodgett, who read the Warrant, and proceeded with the business as follows: Voting for District Officers from 8:30 to 12:30 o'clock, and the following District Officers were declared elected: Moderator, Maurice M. Blodgett; Clerk, Helen A. Keenan; Treasurer, Robert Derby; Member of School Board for Three Years, Marshall Wilder; Auditors, Vernon Towle and Clarence Greenie.

Under article Five, the following motions made by Mr. Shultz passed without discussion:

Moved: That the salary of the Moderator be \$10.00 for the ensuing year.

Moved: That the salary of the District Clerk be \$10.00 for the ensuing year.

Moved: That the salary of the District Treasurer be \$75.00 for the ensuing year.

Moved: That the Salary of each School Board member be \$50.00 for the ensuing year.

Moved: That the salary of each Auditor be \$10.00 for the ensuing year.

Article 6. The Auditors' Report was read and accepted. The Treasurer's report was read and accepted. Upon motion of Winslow Morse, it was voted to accept the report of the clerk as printed. Mr. Gooch, chairman of the Consolidated School Committee gave the following report: "The members of the Special Committee appointed to work with a similar committee from Jaffrey to consider the matter of a Consolidated School, feel, after giving the matter consideration, that such a School serving Jaffrey, Peterborough and surrounding Towns is not feasible at this time. We would move therefore, that the committee be dissolved. We would recommend however, that the Committee appointed two years ago to study local needs and future developments, be asked to consider these in relation to consolidation with School Districts already being served by our Schools, or with other Towns that may be interested."

Upon motion by Edward Larrabee, it was voted that the Committee be dissolved with thanks.

Walter O'Malley, Chairman of the Physical Education Committee, requested postponement of his Committee report until discussion of Article 12 of the Warrant.

Martin Keenan, Chairman of the Special School Committee, referred to report of the Committee published in the Peterborough Transcript, and stated there were still needed repairs at the Center School—namely completion of insulation, replacement of 32 class room windows, new lights in basement, painting outside of building with 2 coats, refinishing of basement floors, and resurfacing portions of the yard over the storage tanks.

Article 7. No action taken.

Article 8. Mr. Shultz of the School Board presented the following motion. Moved: That the School District raise and appropriate the sum of \$77,621.00 (Seventy-seven Thousand, Six hundred Twenty-one dollars) for the support of the Schools, and the payment of Statutory obligations of the District for the Fiscal year, July 1, 1949 to June 30, 1950. Mr. Shultz explained the different amounts asked for in the budget, and the motion was passed.

Article 9. The following motion was presented by the School Board. Moved: That the School District raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) for the purpose of constructing an addition to the High School Building, as recommended by the School Board, and that the School District borrow a sum not in excess of Twenty-five thousand Dollars (\$25,000.00) and appropriate the same for the construction of said addition: and that the School Board be and hereby is authorized to issue serial notes of the School District, payable at the First National Bank of Peterborough, bearing interest not exceeding three percent per Annum, Five Thousand Dollars (\$5,000.00) of the principal amounts of said Serial notes to be due and payable on the First Day of November 1950, and the remainder in installments of Five Thousand Dollars (\$5,000.00) each on the first day of November in each year thereafter until the total amount thereof shall be paid: Interest on said notes to be payable on the first day of May and the first day of November in each year.

Mr. Shultz explained the contemplated changes and alterations to be made at the High School Building, showing enlarged diagrams of the same, at the same time emphasizing the great need of more class rooms for the children of Peterborough. Mr. Morse of the School Board mentioned the saving to the Taxpayers, if they voted for this motion, as it would answer the needs of the School District for many years to come. Others spoke in favor of the motion passing. Mr. George Kendall presented an amendment to the motion substituting the figure

\$45,000 instead of \$35,000 as the required amount needed for the repairs and alterations. This amendment was defeated. A rising vote was taken on the motion and the motion passed, 211 voting for and 9 against the motion.

Article 10. Mr. Keenan presented the following motion:

Moved: That the sum of Ninety-Four Hundred Dollars (\$9,400.00) be raised and appropriated for the repairs and alterations of the Central Grade School Building as recommended by the Special School Committee. It is further moved that the unexpected balance of the 1948-49 appropriation of 54.21 be appropriated for the repairs and alterations of the Center Grade School Building. Mr. Keenan explained this motion as given in the report of the Special Grade School Committee under Article 6. An amendment to the motion was presented by Matthew Cavanaugh as follows: I offer the following amendment and move its adoption—Amend the motion by striking out the figure \$9,400.00, and substituting in place thereof the figure \$6,400.00. Mr. Cavanaugh suggested the cheaper method of finishing the basement floors, and that the insulation of the upper floor of the building be completed, and not the rest of the building, thus bringing the figure down to \$6,400.00. This amendment was accepted and the motion passed as amended.

Under Article 10 another motion presented by Richard Allen Day that the Special School Committee be continued to serve with the School Board for the Fiscal Year 1949-50 and charged with the supervision of the repairs and alterations authorized at this meeting was passed.

Article 11. The following motion presented by the School Board was passed without discussion—Moved: That the District raise and appropriate the sum of Eight Hundred Dollars (\$800.00) for extension of the School Lunch Program in the Schools.

Article 12. Walter O'Malley, Chairman of the Physical Education program Committee read the report of the Committee. This report was accepted and placed on file. Mr. Morse of the School Board presented the following motion—Moved: That the District raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for its portion of the employment of a Director of Physical Education at an Annual Salary of Thirty-six Hundred Dollars (\$3,600.00), for the purpose of organizing and adopting the program outlined in report of the Special Committee on Physical Education. After some discussion, this motion was passed.

Article 13. The following motion presented by the School Board was passed without discussion. Moved—That the sum of Six Hundred Dollars (\$600.00) be appropriated from the ac-

crued income account of the Nichols Fund, for the purpose of the purchase of new equipment, and that the Trustee be instructed to turn this sum over to the District Treasurer on demand of the School Board.

Article 14. No action taken under this article.

Mr. Morse announced that our next Annual Meeting would be held at 10:00 o'clock in the forenoon on Town Meeting Day. Balloting for District Officers would take place in same voting hours as other Town Officials.

Upon motion of Elsworth Bunce a rising vote of thanks was given the retiring member of the School Board, Mr. Winslow C. Morse for his services as School Board member.

Meeting was declared adjourned at 11:00 o'clock p. m.

Record of Ballot for School District Officers—Moderator, Maurice Blodgett 572 votes, Al LaFeur 1 vote; John Cass 1 vote; District Clerk, Helen Keenan 580 votes. District Treasurer, Robert Derby 571 votes; School Board Member, Marshall Wilder 292 votes; George Kendall 208 votes; Harrison Lowe 94 votes; Auditors, Vernon Towle 558 votes; Clarence Greenie 517 votes; Thomas Nichols, Jr. 1 vote, Walter O'Malley Jr., 1 vote.

COMMENTS ON BUDGET

1. For a number of years the apportionment among the districts of the Supervisory Union of the expenses of the Supervisory Union and the Superintendent's salary has been on the basis of the number of teachers employed. The 1949 legislature made it compulsory for the apportionment to be made one-half on the number of pupils and one-half on the assessed valuation of the districts. This has changed Peterborough's share from approximately 30% to 36.7%. This applies to items 2, 4, and 5 and slightly to items 19 and 20.

2. The estimated increase in item 6, teachers' salaries, is about half accounted for by the need for an additional teacher next year and half for anticipated salary increases.

3. The increase in item 13 is due chiefly to the increase in the electric bills and in the additional supplies required to operate the lunch program.

4. Item 14 has been set at the lowest point possible to keep the buildings and equipment in reasonable condition. Additional pupil furniture must be bought for increasing enrollments and for replacements for worn out desks and chairs; roofs need attention; classrooms need painting, continued use of science, shop, home economics and other equipment means repair or replacement, etc.

5. Item 19 shows a marked increase chiefly due to a larger number of our teachers becoming members of the Teacher Retirement System. The district is required by law to pay into the Retirement System an amount equal to 5% of the total of the salaries of those teachers who are members.

PART IV. CHILD ACCOUNTING AND STATISTICS

A. Promotion to High School

The following 29 pupils were promoted to High School in June, 1949:

Philip Bailey, Barbara Blaha, Margaret Burnham, George Cass, Albert Charest, Cynthia Clark, Norma Clark, Diane Cummings, John Dacey, Diane Day, Frank Durkee, Linnea Farhm, Anna LaBier, Theresa LaFontaine, Dale Livingston, Elsie Lussier, Jean Lyon, Bobby Martin, Lily McLaughlin, Eleanor Myhaver, Walter Parks, Elisabeth Parrott, Robert Parrott, John Pierce, Joan Picard, Ann Shultz, Beryl Townsend, Dorothy Waite and Nancy Winton.

B. High School Graduates, June 1949

Thirty-one students graduated from Peterborough High School in June, 1949.

Marie Barrett, Charles Bowman, Arlayne Brown, Roger Burt, Lorraine Cabana, Mildred Cilley, Shirley Crowell, Pauline Cuddihee, Phyllis Gautreau, Roy Goodwin, Hendrick Leeman, Dorothy Marcotte, Clinton Mason, Teresa Mawhinney, Dolores Miller, Bertha Nye, Charles Parrott, Esther Plimpton, Richard Putney, Dorothy Ramsey, Elsa Renker, Norman Sangermano, Betty Shattuck, Patricia Shea, Beverly Sullivan, Joseph Tansey, Stanley Taylor, Malcolm Wetherbee, William Wickham, Shirley Willard and Leonard Williams.

C. Statistics for the Year Ending June 30, 1949

	HIGH	ELEM.	TOTAL
Number of pupils registered	184	317	501
Aver. no. of days schools were in session	175	175	175
Average membership	175.14	302.35	477.49
Average attendance	165.09	280.36	445.45
Aggregate number days all pupils were in school	28,892	49,064	77,956
Per cent of attendance	94.26	92.72	93.29
Average number of days each pupil was in school	164.96	162.27	163.61
Pupils not absent nor tardy	1	7	8
Non-resident (tuition) pupils	73	9	82
Pupils transported at district expense	47	163	210

Comments:

1. The average number of pupils in school increased about 20, or 4.23% from the year before: 458.09 to 477.49. The total in 1946-47 was 436.67.

2. The number of high school tuition pupils from outside the district increased from 62 to 73.

3. The number transported has increased from 162 in 1946-47 to 195 in 1947-48 and to 210 in 1948-49.

**PART V. AUXILIARY ACTIVITIES AND SPECIAL
REPORTS**

A. School Lunch Program

The school lunch program, now in its second year, is proving more successful and beneficial than originally anticipated. Available to all pupils of both schools, its well balanced and nutritious meals are now attracting an average of 330 youngsters each day or approximately 70% of the enrollment. Under the present limitations of time and available space, it is doubtful if many more of the remaining 30% of our school population

could be served in the existing lunch room. This year's addition to the program, through the generosity of the P. T. A. and an appropriation by the School District, of a new restaurant range, an adequate water heating system, new pots, pans, silverware and dishes, brings the preparation and serving of food to a point approximating maximum efficiency.

The following arguments are present in favor of completion of the lunch room at the high school building for even greater efficiency and progress:

1. It would eliminate the necessity of high school students having to leave their building at noon time, especially during inclement weather.

2. It would lead to better control and less confusion in both buildings.

3. It would automatically provide more indoor play space for the Central School pupils during their play and physical education periods.

4. It might well lead to the making of the lunch hour in both schools into an educational program for the promotion of better manners and eating habits. Such training is impossible under our present "speed-up" conditions.

SCHOOL LUNCH, 1948-49

B. REPORT OF SCHOOL NURSE

THEODORE H. LEE, M. D.—Medical Inspector

OLA H. MYHAVER, R. N.—School Nurse

A. Physical examinations of students have been made at the Central and Peterborough High Schools, by Dr. Lee assisted by the school nurse. Special examinations of students on the Basket Ball Teams (boys and girls) have been made.

B. Exclusions from school of children returning, having symptoms of chicken pox, and other diseases, have been made in compliance with the regulations of the State Board of Health.

C. Spring registrations of Pre-Schoolers June 17, 1949.

a. Physical examinations were made by Dr. Lee and Dr. Mahlon Mason. Parents were present and reports of defects were made to them.

D. Defects found by the Medical Inspector have been followed up by the School Nurse by the following:

- a. Notices to parents.
- b. Phone calls to parents.
- c. Personal Interviews.
- d. Visits to home of parents.

E. Students at Peterborough High School have been weighed and measured. The Physical Education Teachers assisted with this work this fall. The students at the Central School have been weighed and measured three times by the school nurse.

F. Vision tests of students at both schools have been made by the school nurse. The Massachusetts Vision Test was used. Hearing tests of students at both schools have been conducted. The Maico Audiometer Test was used.

G. Recommendation for exclusions of students who were ill or who seemed to have symptoms of communicable diseases have been made.

H. The school nurse has arranged for and assisted in:

a. Mrs. Mildred Aiken, R. N.—nurse of the Tuberculosis Association, with the Patch Test of Freshmen and students at the Central School, and Mr. Alden, x-ray technician and Mrs. Aiken with the Chest X-Ray Clinic at Peterborough High School. Juniors, reactors, and others were x-rayed.

b. Dental Clinics—Dr. Kyes and Dr. Lawrence.

c. Eye Clinics—Dr. Ford and Dr. Eaves.

d. Service of Cod Liver Oil for children grades 1-6. a. b. c.—sponsored by the Com. Student Health Fund, Com. R. P. T. A.

e. Orthopedic Clinic—Manchester, N. H.—Transportation furnished by N. H. Soc. of C. C.

f. Clothing, shoes, rubbers, etc., have been obtained for students where necessary, from the Samaritan Society and the Salvation Army.

g. Health records have been made out and a health card is on file for each child. On it is recorded the disease census and physical growth. Consents for clinics and Cod Liver Oil have been sent to the parents.

h. The school nurse attended the Work Shop at East Jaffrey, N. H., and the Teachers Convention at Manchester, N. H.

i. Equipment for the First Aid cabinets has been replenished from time to time.

At this time, the Medical Inspection Department wishes to thank all organizations who contributed to the Community Student Health Fund, sponsored by a committee of local congress of Parents and Teachers. The N. H. Society for crippled children, The Samaritan Society, and the Salvation Army for their help and to express their appreciation to the Principals, the teachers, Supt. of Schools, Board of Education, eye specialists, dentists, sight conservation consultant, Dept. of Public Welfare, County Tuberculosis Nurse, and the State Dental Association.

C. SCHOOL CALENDAR

1950

Jan. 3	Schools reopen.
Feb. 20-24	Winter vacation.
April 17-21	Spring vacation.
May 30	Memorial Day (Tuesday) No school.
June 13	Schools close at 12:15 (unless days lost)
Sept. 6	Schools reopen.
Oct. 19-20	N. H. S. T. A. Convention. Five day workshop.
Nov. 23-24	Thanksgiving recess (close at 12:15 Wed.)
Dec. 21	Schools close for Christmas vacation (Thurs.)

1951

Jan. 2	Schools reopen (Tues.)
Feb. 19-23	Winter Vacation.
April 16-20	Spring Vacation.
May 30	Memorial Day (Wed.) No School.
June 12	Schools close at 12:15 (unless days lost).

SCHOOL WARRANT

To the Inhabitants of the School District in the Town of Peterborough qualified to vote in district affairs:

You are hereby notified to meet at the Town House in said district on the 14th day of March, 1950, at 8:30 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to raise and appropriate, in addition to the original appropriation for 1949-50, a sum of \$4,993.37 to be made available to the school district prior to July 1, 1950 in order to meet unanticipated obligations caused by lack of State Aid.
10. To see if the district will accept the bequest as provided in the will of Adelbert M. Nichols, late of Claremont, New Hampshire, deceased.

11. To see what sum of money the district will vote to appropriate from the accrued and current income of the Nichols Fund, and for what purposes, or take any other action relating thereto.

12. To see if the district will vote to raise and appropriate the sum of \$1,500 for the installation of new electric lights in the Peterborough Central School or take any other action relating thereto.

13. To see if the district will vote to raise and appropriate the sum of \$5,340 for the completion of the basement room in the new High School addition or take any other action relating thereto.

14. To see if the district will vote to raise and appropriate a sum not to exceed \$25,084.09 as a capital reserve fund for the construction, reconstruction or acquisition of school buildings, said funds to be placed in the custody of the trustees of trust funds and reserved for the construction, reconstruction or acquisition of school buildings in accordance with the Laws of 1943, Chapter 160 as amended by the Laws of 1945, Chapter 35 and Laws of 1947, Chapter 8.

15. To see if the School District will vote to raise and appropriate the sum of \$1,000 for the Educational trip to Washington for the class of 1951 (by petition).

Given under our hands at said Peterborough this 23rd day of February, 1950:

PETERBOROUGH HYMN

A. D. 1620

God our Father!
 Glory, Lord, to Thee!
Before whose voice
 Is mute the thund'ring sea!
Through wind and foam
 Thou lead'st us home—
To Thee be glory through eternity.

Lord, hunger and cold are nigh!
Lord, not for ourselves we cry—
Let not our children die!
Silence your loud alarms
God is our shield from harms—
He will make strong our arms.
Christ, who hath calmed the wave,
Christ will uphold the brave.
Christ, our Saviour!
 Father of our Faith!
To Thee we bring faint hearts and failing breath,
 Be Thou our Guide!
 With Thee we bide,
To love, to labor, and to hope till death!

EDWARD MACDOWELL
